Beginning September 2016, due to a system update, you may notice description changes on your bill. These changes do not impact the services you receive or the price you pay for those services.

The FCC modifies the rate that voice providers pay into the USF on a quarterly basis. USF is assessed on applicable voice services as the Universal Connectivity Charge at the FCC's approved rate. See: <http://www.fcc.gov/encyclopedia/contribution-factor-quarterly-filings-universal-service-fund-usf-management-support>
A new rate becomes effective 10/01/2016.

This bill reflects a change in Franchise Fee and PEG Fee paid to the City, in accordance with the cable franchise agreement.

For cable TV regulatory information, please contact:
