Thank you for your payment. It's a privilege to provide your electric service.

Our new, highly efficient, gas-fired generating station started serving customers in July. Overall prices increased Aug. 1 by 2.5% to reflect the addition of this new resource and other adjustments. Part of your bill was calculated at the old rate and the remainder was calculated at the new rate. To learn more about your prices, visit PortlandGeneral.com/Prices.

On 09/06/16, \$632.03 will be automatically deducted from the bank account you designated, and paid to your PGE account. Be sure to notify us if you close or change bank accounts. To change bank account information, go to www.portlandgeneral.com and sign in. From the Account Summary page, click on the "Change bank info" link in the Billing & Payment Options section.

Thank you for your excellent bill payment record. We appreciate having you as a customer and we look forward to serving your energy needs in the years ahead.
